Roli Tripathi

A relentless explorer of theatrical emancipation, human consciousness and behaviour, Roli Tripathi's passion is to empower minds focusing on "you are never too late to reinvent yourself"

"You are never too late to REINVENT yourself", is her own philosophy of life which she thoroughly follows day in day out...

Having worked for Luxurious hospitality brands for many years... She developed a craving towards making people aware of the art and science behind developing an enchanting personality. It is needless to say that **Grooming** is the main ingredient used in the making of a magnetic personality. With the same feeling and hunger she started unique concept of empowering minds under the name of Reinvent Grooming Academy (ReGA)". Where in she put our entire endeavour to provide world class innovative ways of grooming services and trainings which in turn help people transform and unleash their hidden talent For the past decade,

Roli Tripathi has also served as hotelier for 7 years as a Sales and marketing Personal from November 2005 till 2011 for the Five star hotels like The Leela Kempinski Palace Bangalore, The Leela Kempinski Gurgaon , Le Meridien Jaipur, Radisson etc

She is also a public influencer, women rights activist , mentor, philosopher, theme based pageant expert, groomer, Panelist in News Channels and guide to thousands of individuals. Roli Tripathi has consistently been working towards humanitarian endeavors. She even invented the unique and rare Premium Pageantry Preparation Programme and women/Kids centric image makeover module to boost confidence.

She is the formulator of unique personality transformation & personal development programme that helps in boosting confidence and transforming personality.

What began as a young woman's selfless desire to cherish and value everyone's personal growth has now transformed the quality of so many lives. Being founder of Reinvent Grooming academy's very unique concept, right from its embryonic stage, Roli Tripathi left no stone unturned. She has touched thousands of lives and created Winners!

Roli Tripathi has studied and been associated to various international & National Pageants. She struggled and audaciously faced challenges. Roli Tripathi has prepared hundreds of aspiring individual on how to develop winners within themselves. Those who could barely speak, perform now. Every form of insecurity, vulnerability, depression and under-confidence was transformed into infectious zeal, mettle and fervor.

Her commendable life journey has also been featured at various newspapers and The Times of India.

She strongly believes that all individuals have dynamic personalities. But intense stress, peer pressure and competition intimidate these nascent personalities in detrimental ways. She introduced the various life changing Reinvent Method to create massive changes in children & adults. This method focuses on unique individual exposure for every individual.

Reinvent Grooming Academy (ReGA} has also witnessed immense progress under the motivational and flawless guidance of Roli Tripathi. Her reputation of creating winners has earned infinite number of praises and respect from the global individuals.
